

### THE PLAN – PART IX

*Its hard for me to imagine a more difficult series to write. I am a lover of Israel, a believer, - as Scripture tells us, - that the territory of present day Israel and much more belong by right to God's people, - the Jews. Yet for centuries some powerful Jewish families have been party to a plot to control the Holy Land and eventually to create a world government organized along Luciferian lines. In today's installment, I will rely on the research of Jerry Golden, an Israeli Jew, a believer in Jeshua as Messiah and a worker in the cause of aliyah; - bringing Jews from around the world to settle in the Land. He too struggled with what he wrote, but over time has become convinced of those same connections between the Rothschilds, Freemasonry, the Illuminati and the ruling powers of Israel.*

### A GRAND DECEPTION

It was present from the beginning. David Ben Gurion was the first Prime Minister of modern Israel when it was formed back in 1948. As a freedom fighter between the wars, he was connected to the Rothschilds through their financing of the that movement. In addition he was an avowed Mason and a Trotskyite-Marxist.<sup>1</sup> Despite all that, he emerged the hero of the nascent Israeli nation. In 1962 he was interviewed by LOOK Magazine about just what the world would look like a quarter century later, in 1987. His answers seem perhaps a little to prescient. In hindsight, he spoke like someone 'in on a plan'. Ben Gurion said that the Cold War would be over by then bringing "a gradual democratization of the Soviet Union". Science would "transform the United States into a welfare state", - Western and Eastern Europe would unite in a socialist federation, - and most of the world would be coming together in a "united world alliance". An "international police force" would replace national armies and a "Supreme Court of Mankind" would be settling issues between a "federated union of all continents". He foresaw religious unity, - of a sort too. "In Jerusalem, the United Nations (a truly United Nations) will build a shrine of the Prophets".<sup>2</sup> Any follower of the world scene will see that the world has realized half the vision already and is streaking toward the fulfillment of the rest. Thus is the dream of all globalists, Freemasons and Illuminati types.

Ben Gurion spoke of a "shrine of the Prophets", - and plans for just such a combined Jewish / Christian / Muslim Temple have been bandied about in New Age / Illuminati circles. Plans even surfaced for a while on the internet. Recall that both the highest orders of Freemasons as well as the Zionist elite are committed to building a Temple in Jerusalem; - committed to re-establishing the order of the Jewish ceremonial-religious system. The highest rabbinic authorities have ruled that that Temple will indeed be built, - but only by the Messiah when he comes. Yet even the Temple Mount Faithful, - an Orthodox organization dedicated to the rebuilding of the Temple, - confuses the timing of when Christ will come to "**judge the nations**" (Isaiah 2:4). Messiah will return, - but only after the Antichrist has had *his* rule during the 7-year Tribulation. The Messianic Jewish organization, Zola Levitt Ministries agrees with this analysis, writing in 1997 that groups like "the Temple Mount Faithful appear to preparing the way for the construction of the Temple that will be used during the Tribulation"; by the Antichrist himself.<sup>3</sup> The Temple Mount Faithful, in one of their newsletters put it thus: "The real 'United Nations Organization' will be the Kingdom of G-d which will soon be established in Jerusalem, based on the holy laws of G-d. The Temple will again be the heart, soul and focus of Israel and the nations. Mashiach ben David will come and will be the king of Israel and the world. He will come to Jerusalem and rule from there and establish the Kingdom of G-d over all the world."<sup>4</sup> Sadly Daniel 9 makes it clear that the first Messiah accepted by the Jews will be the Antichrist; - and that the Temple that will be established will be the center of a global supra-religion that will in turn be part of the One World System of total control imposed by the Antichrist. 2Thessalonians 2:3-4 reveals that at the midpoint of his career and the Tribulation, that "**man of lawlessness... will oppose and will exalt himself over everything that is called God or is worshiped, so that he sets himself up in God's temple, proclaiming himself to be God**".

In recent years preparations have been rapidly moving forward toward the actual construction of this Temple. Back in December of 2007, the Temple Institute announced they had completed the crown for the new high priest. Priestly garments and temple articles are ready and waiting.<sup>5</sup> Members of the priestly tribe of Levi have been genetically identified. Now, it was reported that, in connection with the Annapolis Peace Conference to bring about a settlement with the Palestinians; - a delegation of rabbis asked Secretary Rice for “a place to worship” on the Temple Mount, - where the al Aqsa Mosque now sits. In summary: Plans are drawn up to rebuild the Temple. (They are completing very practical construction blueprints even now.) Jerusalem itself is on the negotiating table. And the idea of international control for the Holy City is being considered as the only viable solution to the endemic violence.<sup>6</sup> Even the idea of US or NATO troops serving as peacekeepers is a very real possibility.<sup>7</sup>

The Bible says that during the Tribulation, Jerusalem will be the center of Antichrist’s worldwide empire. Satan’s forces have been preparing for that battle for a long time. So now there’s this. In recent years, a pattern of pagan / Illuminist design has been discovered both in the construction of the newer Israeli government buildings and their geographic relationship to important religious sites in Jerusalem itself. Sound nuts? Well hear me out. Jerry Golden, who has photographically documented some of this for his Golden Report, writes of “an evil force [that] has been put in place in Jerusalem and has spread throughout Israel, in preparation for the end times and the seat of the anti-Christ”. This is partly expressed through architecture that incorporates the designs and structural functions of the occult. It can also be found in the geographical layout of the city itself, with buildings aligning according to something called ‘ley lines’.<sup>8</sup> Ley lines are hypothetical alignments connecting especially ancient mystical-religious sites. The concept is fully adhered to by the very many branches of occultic-paganism including; - New Age, Illuminati, Knights Templar and Nazi mysticism. It has been demonstrated that – whether by chance or design – ancient pagan temples are connected by straight lines emanating from a central source. Sometimes that pattern will hold for hundreds of miles from a central point.<sup>9</sup>

It was Dr. Yizhak Hayut-Ma'n who discovered the series of ley lines that spread across Jerusalem, joined at perfect 36 degree angles that form, - imagine this – a pentagram. Now the pentagram is a symbol common to witchcraft, Wicca, neo-paganism and Freemasonry. The symbol is said to contain magical properties with a long history of use in the various emanations of the occult. The Jerusalem lines align such sites as a chapel within the Church of the Holy Sepulchre, Adrian's Pillar at Damascus Gate, Golgotha (where Jesus was crucified) and structures on the Temple Mount.<sup>10</sup> More modern construction brings in the new Israeli Supreme Court Building, the Knesset, - and not so curiously perhaps, - to the Rockefeller Museum, and thence to a pyramid capped with the ‘all-seeing eye of Horus’, an ancient pagan god of Egypt. Pagan symbology is rife in God’s Holy City.

Now what ties this all together, - and argues for more than just coincidence, - is the fact that the Israeli Supreme Court Building was designed and paid for by the Rothschilds. For their troubles they got to incorporate their own design into the structure, - and that structure is replete with Illuminati and Masonic symbols. Even the numbers are conform to the norms of Masonry and the occult.

Here are just some of the characteristics featured in Jerry Golden’s well documented report on the construction of the new Israeli Supreme Court Building

:

- The Egyptian pyramid with the Eye of Horus
- An “inverted cross” designed to be walked on or trampled
- Hindu altars inside the building itself
- 30 sets of 10 steps – representing the lower 30 degrees of the Masons
- 6 lamp stands that represent man’s journey toward illumination
- Three higher tiers representing the 3 highest degrees of Masonry and the preparation for full entrance into the Illuminati.

- Above that third tier – the ‘Eye of Lucifer’
- Courtrooms where the judges deliberations are lit by open pyramids above their heads; - bringing in the light of illumination
- The chambers are designed like ancient Jewish tombs, with an opening above for the spirit to escape<sup>11</sup>

All of this taken together builds a picture of an occult / Masonic infiltration of the things of God, - and an opposition to the God of the Bible. But according to Scripture, these are not the real Jews. In Revelation 2:9, God speaks to the situation. **“I know the blasphemy of those who say they are Jews and are not, but are a synagogue of Satan.”** Jesus Himself addressed that distinction between true and false descendants of Abraham. **“If you were Abraham’s children, you would do the works of Abraham.....You are of *your* father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him...for he is a liar and the father of it”**. (John 8:39, 44) Romans 8:28-29 perhaps sums it best: **“For he is not a Jew who *is one* outwardly... but *he is a Jew who is one inwardly; and circumcision is that of the heart”***.

The fact of the matter is that there is coming, - probably in the not too distant future, - a new Temple in Jerusalem. It will be the Temple of the False Messiah. That edifice will be built under the direction of the Illuminati, - but with the energy and toil of the observant, Orthodox, - but deceived Jewish community. 2Corinthians 3:15 tells us: **“But even to this day, when Moses is read, a veil lies on their heart.”** Modern Israel will have a rough time of it, but God has a plan for their salvation. Zechariah 13:8-9 informs us that because of that willful blindness, **“two-thirds in it shall be cut off *and die*, But *one-third shall be left in it: I will bring the one-third through the fire, Will refine them as silver is refined, And test them as gold is tested. They will call on My name, And I will answer them.*** Scripture elsewhere explains: **For I do not desire, brethren, that you should be ignorant of this mystery, lest you should be wise in your own opinion, that blindness in part has happened to Israel until the fullness of the Gentiles has come in. And so all Israel will be saved”**. (Rom 11:25-26)

## **AN ECONOMY ON THE BRINK**

The signs are all around us. The American / World economy is taking major hits, - facing incalculable pressures; - seemingly teetering on the brink of collapse, - yet somehow sneaking by. With China and India competing for an increasing supply of the global oil market and fear of war breaking out in the Middle East, - on a number of fronts, - the price of oil is driving steadily upward with no end in sight. Oil hit an all time high of \$102.08 per barrel on Wednesday and many are predicting \$4 per gallon gasoline before the end of March.<sup>12 13</sup> Rising crude prices are of course pushing up everything else. In January inflation went up at its highest rate since 1981.<sup>14</sup> And with increasing government spending, - its also driving the dollar down. The dollar hit a record low against the euro, the currency of the European Union.<sup>15</sup> That of course, plays into the hands of those wishing to engineer a world currency to replace the ‘almighty dollar’. We’ve been following the machinations of these New World Order types in the current series. One of their chief goals is the progressive unification of the world; - first into regional blocs like the EU and a coming North American Union, - and later into an all encompassing worldwide system.

With that as background, let’s look at the most recent report of LEAP 20/20, - a European think tank that successfully predicted the collapse of the Soviet Union. Now while many world economists foresee big trouble or even collapse for the US economy, - the LEAP crowd has been very specific about its’ timing. Their *Global Europe Anticipation Bulletin* predicts that the American economy will go into collapse around September of this year. It is all part of the general implosion of the world order that was forged after WWII. Their predictions include: a “virtual freeze of the American economic machinery,... [with] private and public bankruptcies in large numbers”. They see a “global systemic crisis” effecting the entire globe, rocking the organizational “foundations of the international system”. Contributing factors include the plunging dollar, the US housing crisis, unmanageable

public and private deficits and debt, an emerging recession and the cost of the War on Terror. According to LEAP 20/20, though the entire world will suffer, the US will be hit much harder than Europe or the emerging Asian superpowers. As evidence that its already begun, they cite the nearly 20% drop in stock values since the beginning of the year. Values could plunge by 60% by years end. Such an economic collapse would be historically unprecedented. They believe that it will be far greater in scope and magnitude than the Great Depression, - leading to not only an economic reordering but socio-political unrest in the US itself.<sup>16</sup>

## **RAISING THE STAKES**

The fallout from the assassination of Hezbollah commander Imad Mugniyah continues to spread. DEBKA reports that Iran, Syria and Hezbollah are all cooperating in planning “military punishment” for Israel’s supposed involvement in the plot. Rumor mills however have muddied the waters with regards to ultimate responsibility implicating various groups from Lebanese Christians to Mossad to even other Arab intelligence services.<sup>17</sup> The military advisor to Iran’s Ayatollah Khamenei announced that Israel was facing “sure death” in the near future.<sup>18</sup> One Kuwaiti paper, - citing “reliable intelligence” warned of a Hezbollah attack against Israel in March.<sup>19</sup> According to some reports, Israel knows exactly the game it is playing. The Jerusalem Post reports that the Mugniyah it was “a link in a long chain of operations” all targeting the leadership of Hezbollah and Hamas.<sup>20</sup> Of course a campaign of this sort risks a general Arab-Israeli War, dragging in not only the two terror organizations but also the ‘*not to be outdone in craziness*’ Palestinian Authority and surrounding Arab states like Syria. Israel’s intelligence chief predicts that Hezbollah will strike – and will do so on the “40th day of mourning for its military commander Imad Mugniyah – that is March 22-23”. He also warns that Iran should have home-grown nukes by no later than 2010.<sup>21</sup> Other sources believe Iran could have its atomic weapons before the end of this year.<sup>22</sup> So Israel prepares for the next war...as do her Arab neighbors. And the Olmert government makes overtures to Syria to stay out in return for talks on the Golan Heights.<sup>23</sup> That’s not likely to happen. Israel is setting the stage for the establishment of a Palestinian State. If it is to give away Judea, Samaria and half of Jerusalem, it cannot countenance the existence of the terrorist presence of Hamas and Hezbollah. The stage is set for war!

## **EARTHQUAKES IN DIVERS PLACES**
