Issue # 242

OH THOSE CRAZY NORTH KOREANS...!

The North Koreans are at it again. Since 2006, - when they conducted their first underground nuclear test, - Pyongyang has been pushing the rest of the world while occasionally threatening war, - and generally destabilizing the region and the world. This time they blew-off a 10 to 20 kiloton blast that triggered an earthquake measured at 4.5. They followed that performance with the test launch of 3 short range ballistic missiles. Well, the UN Security Council responded with a useless & unanimous condemnation of the tests. [*We all should be much comforted!*] The North responded to that by launching three more missiles.^{1 2 3} South Korea responded to the North's provocations by announcing that it would join a US program to stop ships suspected of carrying WMDs. North Korea answered back that South Korea's actual participation would be considered a declaration of war and would be answered with "immediate, strong military measures".⁴ Recall that a big nuclear confrontation on the Korean Peninsula is part of the published Illuminati plan to bring the Antichrist to power in a New World Order global government.

ON THE THRESHOLD – PART III

In the last installment we looked at how the current peace deal being forced upon Israel is animating the forces of Islam and the Vatican to seek control of the Holy City. The Antichrist World System is sliding into place. To that end secret deals were worked between Rome and the Palestinians and elements in Israel to make Jerusalem "the second Vatican of the world with all three major religions represented".⁵ Today, we'll review just how the forces of the Illuminati have planned to complete their plans for the New World Order they openly seek.

TOWARD THE 'ONE NEW RELIGION'

"When it is evening you say, 'It will be fair weather, for the sky is red'; and in the morning, 'It will be foul weather today, for the sky is red and threatening.' Hypocrites! You know how to discern the face of the sky, but you cannot discern the signs of the times." (Luke 16:2-3)

You may recall that it was Pope John Paul's dream and prediction that he or a soon future pope would rule over a One World Religion. Yet the Pope was somehow blinded to the significance of his personal prophecy. It does line up with Bible, - however not in the way he thought. It is the Antichrist that puts together that coalition of religions in the End of Days. The resulting *Super Religion* is the religion of the Antichrist and the False Prophet.

After the failed attempt on his life, Pope John Paul had a vision. It was a personal apparition of Mary. Based on what was revealed to him during that personal vision, he predicted that the Church's ascendance, - its ultimate victory, - would follow a great worldwide appearance by Mary that would call all of mankind into the Catholic Church under the aegis of whoever then was Pope. The late former Vatican Jesuit, Malachi Martin describes for us the Pope's vision. It will be an "event that will fission human history...on public view in the skies, in the oceans, and on the continental landmasses of the planet." In many ways it reminds one of the events witnessed by those hundreds of thousands that flock to the Marian apparitions at places like Medjugore. Apparitions there are accompanied by miraculous events where there are healings and the sun dances and spins in the sky. He goes on to say that "it will immediately nullify all the grand designs the nations are now forming". That vision will be one of Mary, clothed in the "circumambient glory" of the sun.⁶ This will be Mary's triumph! Describing the times that signal Christ's return, Luke 21:25 tells us **"And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring"** And Scripture reveals that the Antichrist will rise to power using massive deception. **"The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders"** (2Thessalonians 2:9) **"For false christs and false prophets will rise and show great signs and wonders to deceive, if possible, even the elect."** (Matthew 24:24) Great "signs and wonders" in the sky!

In addition, the Vatican is now and has been actively inserting themselves into the Middle East peace process, - taking to a large degree the side of the Palestinians, - and against the Biblical borders laid out by God in the Old Testament. We

see that again in the actions of the current Pontiff, Pope Benedict the XVI. It is interesting that the Vatican solution would have the Temple Mount divided among Jews, Christians and Muslims, - but remaining under Vatican control. All of this, it seems was part of a secret deal that bypassed Israel's parliament, the Knesset.⁷ It is perhaps even more interesting that a combined Temple has already been designed that would serve all three of the great monotheistic faiths.⁸ Sketches of this new Temple had been available on the Internet, and in fact one such artist's rendering can still be found in the archived files of David Bay's Cutting Edge News. It shows a building with several large pyramidal wings, formed into the shape of the Star of David. The Temple, - a part of the Illuminati originated *New Jerusalem Covenant Project*, - is designed as a "combination Temple/Church/Mosque".⁹ As revealed in a lecture by Bill Lambert, once the New England Director of the House of Theosophy, the creation of this combined house of worship is all part of that political solution for the New Jerusalem.

It would sound loony-bin crazy to me too, - if it did not line up so well with Biblical prophecy. First, Revelation 11:1-2 says: **"And there was given me a reed like unto a rod: and the angel stood, saying, Rise, and measure the temple of God, and the altar, and them that worship therein. But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months."** (KJV) That speaks of the End Times reconstruction of the Temple and an area built solely for the Gentiles. Now Perry Stone reveals that Jewish scholarship shows that it would take exactly 42 months to fulfill the ceremonial requirements from the turning of the first shovel to the dedication of the Temple.¹⁰ Daniel 9:27 tells us that Antichrist shall **"confirm the covenant with many for one week"**. (KJV) That's referring to a seven year treaty, - 84 months. But verse 27 goes on, **"But in the middle of the week, he will put an end to sacrifice and offering. And on a wing of the temple he will set up an abomination that causes desolation"**. (NIV) Catch that? **"on a wing of the temple"**. 2Thesslonians 2:3-4 explains that **"abomination that causes desolation"** going on to reveal that when **"the man of sin is revealed, the son of perdition....he sits as God in the Temple of God, showing himself that he is God"**.

But notice the timing; - "in the middle of the week", - half of 84 months is 42 months, - the exact time needed to dedicate the new Temple. It is also the exact time **"given unto the Gentiles"** to **"tread under foot"** **"the holy city"**. *Interesting indeed!* According to the New Age / Illuminati types, it is the creation of this New Jerusalem Covenant that is the key to begin the unfolding of what Christians understand as prophetic, End Times events. The idea is to unite Christian, Jewish and Muslims within Jerusalem, - under the protection of the Vatican with the sitting Pope as head of some sort of hyper-tolerant, One World Religion. The Gordian Knot that is the Palestinian Question will be solved when Jerusalem becomes an international city. Global economic, political and religious conferences will create "a grand merger of all forces will occur world-wide that will move the world in any desired direction". [They're planning the political / religious super kingdom of Antichrist.] That desired direction starts with a combination political / religious settlement in the Middle East. All of this will make possible the rebuilding of the Temple. But it is only war and rumors of war that make these worldwide conferences possible.¹¹

We turn to Peter Lemesurier's *The Armageddon Script* to see in detail just how the Illuminati New World Order types plan to maintain the pressure that will create the conditions necessary for the rise of the Antichrist. Here are the details of the plan.

- **Arab Israeli War** - Israel wins an annihilating victory, fulfilling many Biblical prophecies.
- **Catastrophic Terror** - Major terror attacks against the US & Europe using WMDs.
- **Nuclear Crisis In Korea** - Lemesurier writes, "A hair raising nuclear confrontation in Korea may, towards the end of the period, threaten man's very survival."
- **Taiwan Invasion** - China uses the fact that the U.S. is occupied on two fronts to invade Taiwan, challenging the already stretched American Naval forces in the region.
- **Alien Presence** - Extraterrestrials manifest a presence that leads to the collapse of the religious beliefs of many around the globe. [Artificial or demonic in nature.] Here are the words of Bill Lambert as quoted by David Bay of Cutting Edge Ministries. *"UFO's and Aliens are part of the New World Order. They are benevolent beings which will aid mankind in attaining the goal of becoming one humanity. They will appear at the proper time to enable mankind to make that Quantum Leap of Collective Consciousness -- when the Anti-Christ appears."* [Henry Kissinger has suggested much the same thing.]
- **Stock Market to Crash** - You can see why.
- **Earthquakes around the world** - (Perhaps created by scalar or ULF waves.)
- **The New Age Christ Appears** - He is a man of peace. He claims to be the Jewish Messiah, Jesus, Mohammed and Buddha rolled into one. He shows displays of supernatural power.¹²

And here's the crazy ending to this contrived scenario; - as envisioned by those seeking to bring to power this New Age Messiah; - the ultimate triumph of Mankind's rebellion against God.

1. **The Pope Takes Command** – According to Mr Lambert: “At the proper moment in history, the Pope will visit the combined Jewish/Christian/Moslem sector of Jerusalem to announce that all religions should be combined into one. This action will finally break the Middle East logjam. This will mark the advent of the One World Religious System under the False Prophet of Revelations” Lambert is saying that some future pope will operate as the False Prophet of Revelation.¹³
 - **Catholic Writers Agree** – Roman heavyweights like Francis of Assisi, Bishop Sheen and Cardinal O’Conner, among many, - have taken the position that the False Prophet of the Last Days would indeed be an apostate prince of the Church.¹⁴
 - **The Prophecies of St Malachy** – These extra-biblical writings lay out a scenario in where there will be only one or at the most two more popes before Christ’s return.¹⁵
2. **The Messiah Is Revealed** - “Minutes before the Antichrist arises, some supernatural sound will be heard and spiritually felt by everybody on the planet, simultaneously...with everyone’s attention aroused, images of Antichrist will appear simultaneously over the entire earth, speaking to mankind, each in his own language. The signs and wonders will have begun.” (Bill Lambert) According to Lambert, “he will appear as different beings to different people”. Alice Bailey says, “A loud sound will be heard world-wide which will herald the coming of Maitreya the Christ. Prompted by this sound, people will be aware of his coming on three distinct levels: Spiritual, physical, and emotional”.¹⁶ Constance Cumbey tells us “His Three-Dimensional image will appear over all nations of the earth simultaneously”.¹⁷ Again, this agrees with much of what certain segments of the Catholic world is expecting.¹⁸ This multi-dimensional experience also seems to line up quite nicely with the professed coming-vision with Pope John Paul II.

The moves now being performed on the world stage are setting up the conditions for the fulfillment of this ‘crazy’ scenario. But before any of this will likely unfold, it seems the prophecies of Isaiah and Obadiah and Psalm 83 will likely come to pass. The war of the inner ring of Arab states against Israel will take place. Damascus will be destroyed, (Isaiah 17:1) and the Palestinians will be annihilated (Obadiah). Isaiah 34:12 tells us: “**They shall call the nobles thereof to the kingdom, but none shall be there, and all her princes shall be nothing**”. When we watch the world’s powers and the Pope and the players in the Middle East maneuvering toward the creation of a Palestinian State, what we are witnessing is the set up for all of that. However this all plays out, it is becoming obvious that we are witnessing the intricate dance that is laying the groundwork for the fulfillment of numerous prophecies. It is time to get serious about our relationship with the God of the Universe. The time is near at hand!

How It’s Playing Out – Right Now!

If you’ve been following this series you know that the New World Order types have written about their plans for the coming New World Order. They’re looking for an Arab / Israeli peace plan that includes a Jerusalem under international control. Right now forces are convening to set in place that very arrangement. The world’s press is full of stories that when President Obama addresses the Islamic World from Cairo on June 4th, that he will say, - in the words of one headline: “IT IS TIME TO DIVIDE JERUSALEM”.¹⁹ Reports in both the Israeli and Arab media say that the Palestinian Authority has been assured that the President is determined to see a Palestinian state formed with Jerusalem as its capital.²⁰ The plan is basically the one favored by the Quartet, (US, Russia, EU & UN) and originally pushed by Saudis. It is now being brought forth again with some minor variations under the auspices of Jordan’s King Abdullah and President Obama. Perhaps the most prophetically interesting part concerns the fate of Jerusalem. According to the London based Islamic paper, Al Quds Al Arabi, the Old City containing wherein the holy sites lie, would be under the control of the UN.²¹ The Palestinian Authority would give up its claims to the Temple Mount to the 57-member Islamic Conference that includes Iran.²² Netanyahu however, put a bit of a wrench in those plans when he declared upon his return asserted Israeli sovereignty over the city, assuring his audience that “Jerusalem will never be divided again”.²³ That drew an immediate response from France who criticized the remarks, saying that Jerusalem must serve as the capital for both Israel and Palestine.²⁴ An even thornier problem that must be solved before a treaty can be successfully negotiated is the issue of Hamas’ control of Gaza. Materially supported by Iran, Hamas is opposed to any sort of arrangement short of the ultimate victory of the Palestinian cause; - and that in the form of the abolition of Israel itself. Until Israel is willing to militarily destroy Hamas, negotiations with the Abbas’ Palestinian Authority seem doomed to irrelevance.²⁵ Hamas leader Khaled Mashaal does offer one way out perhaps; - a 10-year, temporary peace, - a hudna, - in exchange for a return to the 1967 borders.²⁶ Except for the term of the truce, - that sort of temporary deal is the exact sort of arrangement that will be offered by the Antichrist at the outset of the Tribulation period.

In addition, PM Netanyahu's government has indicated that any progress on talks with the Palestinians must be preceded by a solution to the Iranian nuclear question. The Prime Minister did not budge to administration pressure to endorse a 2-state solution at this time, instead insisting on bringing the focus back to Iran. There is one factor that is driving the timing of any Israeli move to take out Tehran's atomic capabilities. That is their ability to deliver a strike against the Jewish homeland. The Iranians made significant progress on this front with their launch of a Sajil-2- two-stage missile that hit its target. The missile could strike parts of Europe, - as well as Israel, and threaten US interests in the region.²⁷ US missile tracking system confirmed the success of the test and Western military sources said that that puts Iran "at least two or three years ahead of Israel's missile defenses". If anything will drive Israel to strike sooner rather than later, - it will be that fact. As soon as Iran is able to marry nuclear warheads to these missiles, - much more accurate than previous Iranian versions, - Israel will face an existential crisis.²⁸ Do not expect the Israeli leadership to let it get that far. Netanyahu has promised to do whatever it takes to prevent Iran from getting a home-grown nuclear capability. And in very clear terms, Israel's National Security Advisor, Uzi Arad, - let it be known that despite warnings and wishes from Washington, Israel reserved 'operational freedom on Iran'. The US knows Israel's 'security needs' and would 'not necessarily receive forewarning' of an Israeli attack.²⁹

It is the very deterioration of the relationship between Obama's Washington and Netanyahu's Israel that drives the issue to the forefront. The President is determined to reach out to the Muslim world, - even the radicals. His administration has signaled that an Iranian nuclear capability may be acceptable in return for a general *arrangement* with the Iranians on the whole Middle East region. He has purposefully taken American military action against Tehran's nukes off the table. And according to sources he has let it be known that an independent Israeli strike will be answered in an unprecedented way. The US is prepared to formally condemn Israel, support a UN resolution that "could include sanctions" and possibly cut off military aid. Should that scenario unfold, it could serve as a signal to the surrounding and enraged Arab entities, - ie Hamas, Hezbollah, Syria etc, - that it is 'safe' to go after the hated Jews.^{30 31} And that is the Psalm 83 line-up of peoples that will engage Israel in the next big prophetic war, - the one that many scholars believe will end in the decimation of the Palestinian people and the destruction of Damascus. Israel is aware of the stakes and the probabilities. In an interesting signal, the IAF has just conducted a full scale drill; - this time not practicing a long distance run against Iran, - but instead simulating an "all out regional war" that targets "the home front from many directions".³²

BIRTH PANGS / FAST TAKES

TERROR'S NOT DEAD – At a time when debate is going on as to what to do with our terrorist holding center in Guantanamo, Cuba, - and over the use of 'enhanced interrogation techniques, - we are reminded that the intent of evil men, bent on violent Jihad, - is not ended. Police arrested 4 men that the FBI had under surveillance. The Muslims, - 3 of which were recent converts, - were going to exercise the jihadist rite of the 'Religion of Peace' by blowing up two New York City synagogues and using a Stinger missile to shoot down a military plane.³³

A CHIPPING WE WILL GO – An inventor from Saudi Arabia is seeking patent protection on a micro-chip to be implanted in humans to determine the "geographical location" of human subjects. A modified version also included in the patent application would be able to emit poison via radio command to "eliminate" the subject should that become necessary.³⁴ Bilderberg investigator Jim Tucker, reported that according to his sources, that group discussed a plan in 2008 that would see the mass micro-chipping of humans in an effort to fight terrorism.³⁵

A BRAVE NEW CHURCH – In San Diego, CA, the county is coming down hard on a pastor that holds a weekly Bible study in his house for about 15 people. They were told that they need to stop the illegal "religious assemblies" or face "escalating fines". To meet the governments requirements they would first need to receive a municipal Major Use Permit that could involve conducting studies involving parking and sidewalk use that could end up costing tens of thousands of dollars. In his investigation, a county official came to their door on Good Friday asking such questions as: Do you have a regular weekly meeting in your home? - Do you sing? - Do you say 'amen'? - Do you say, 'Praise the Lord'?"³⁶ *Watch and Pray!* This is a disturbing trend.
