CONSPIRACIES & REALITIES – PART IV

We've been lifting the veil on the details of a plot that has been in place for centuries. The frightening reality is just that: It is very real indeed. Plans are in place that should make it clear. Our God is our only refuge!

DEEP BACKGROUND

“For God knows that in the day you eat from it your eyes will be opened, and you will be like God, knowing good and evil.” (Genesis 3:5)

If you recall, our starting point for this series were the revelations of our friend W, who revealed to us a plan for the onset of World War III to begin within the next 2 years. It would be managed by Masonic forces, whom the Illuminati types use a vehicle to achieve their ‘higher’ purposes. Now one thing W said, almost off-handedly, is this. “And it’s safe to say that World War One and World War Two were manufactured wars...used as stepping-stones to get to where they are now.” He went on to attribute the formation of the UN and the status of the US as a Superpower as products of this contrived process.¹ He couldn’t be more – right on the money! Three World Wars were the exact revealed plan of the Masonic hierarchy, and they were laid out in detail more than a century ago.

The plan was originally revealed by one of the darkest and most important Mason’s of all time, Albert Pike. He was a Confederate General, the Grand Commander of North American Freemasonry and a founding leader of the Ku Klux Klan. With Prime Minister Palmerston of England, Italian revolutionary Giuseppe Mazzini and Germany’s Chancellor Otto von Bismarck, he worked to impose the satanic Palladian Rite on all Masonry. He was said to be in contact with Lucifer himself. In 1871 he wrote the now famous *Morals and Dogma*, laying out the rules and purposes of Masonry. “Every Masonic lodge is a temple of religion” whose purposes is to “conceal the truth” with “false interpretations” for the lower 29 degrees of the lodge. That truth is that “God is, as man conceives him, the reflected image of man himself.” His god and that of the Masons was not the God of the Bible, but Satan himself; - “Lucifer, the Light Bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light...Doubt it not!”² In *Morals and Dogma*, Pike calls Satan “he who bears the light” and refers to their ultimate goal, - the One World Government; - as the “Holy Empire”.³

It was the purpose of the Masons, Pike believed, to foment war and conflict until the coming of the ‘One’. Mazzini also was an adept in the occult. He became the man behind the European revolutionary movement, taking control of the powerful Alta Vendita and the Carbonari, whose goal was the complete destruction of Christ’s Church. Now Pike was his partner in these occultic plans to keep the masses both in and out of Masonry in ignorance. To this end, Pike later instituted a super-rite called the New and Reformed Palladian Rite, to act as the guiding force for all the brotherhood. One writer described it thus: “Palladianism is the cult of Satan in the inner shrines of a rite superimposed on all the rites. It is a cult, a religion”.⁴ In a letter to Giuseppe Mazzini, dated August 15, 1871, he describes a demonic vision for three world wars that would lead to the establishment of the One World Order. This letter was for a time in the British Museum in London where it was copied by Canadian Naval officer, William Guy Carr. Here is a summary of its details:

War #1 - was to be fought to bring down the Russian Czars and “weaken the religions”. It was to start as a conflict between the German and British Empires. “At the end of the war, Communism will be built and used in order to destroy the other governments”. That is exactly what happened.

War #2 - would be fought between “Fascists and the political Zionists”. The world was to emerge from that war with a Jewish State in Palestine and worldwide Communism able to serve as a foil to the ‘Christian’ West. Russia was to become the master of Europe. In the event, they got the eastern half of it. It’s interesting to note that the Allies, the US and the UK, had chances to advance more quickly, taking control of more of that continent, but slowed down and chose not to do so. This was much to the chagrin of General Patton at the time. Not in on the fix, he was convinced that the Russians were enemies of the US even while we fought the Germans together. Now at the Yalta Conference, and confirmed again at Potsdam, much of Eastern Europe was turned over to the control of the Soviets. This American surrender of whole peoples to Communist dictatorship can only make sense if we factor in the Masonic / Occult plan which spawned it. All three of the leaders at Yalta, Roosevelt, Churchill and Stalin were Masons. So again, what the letter planned, is exactly what happened.

War #3 – is to be fought to pit Islam against Zionism (Israel) and end in their mutual destruction. Other “nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion”. At its end those “disillusioned with Christianity... will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view”.^{5 6 7}

Pike and Mazzini were not the first Satan worshipers on the block to call for and plan worldwide wars to advance their cause. Karl Marx had written in 1848 that “The coming world war will cause not only reactionary classes and dynasties, but entire reactionary peoples, to disappear from the face of the earth. And that”, he said, “will be progress”.⁸

So you see the three world wars were to serve the purpose of preparing the world for the new messiah. But the New Agers teach that the New Christ cannot appear until mankind is spiritually prepared for his presence. We turn again to our friend Alice Bailey to get an understanding. She tells us energies want to flow to mankind to produce the Christ, but cannot do so until “humanity raises its collective consciousness to be properly awakened receptors.”⁹ It is Alice Bailey herself writing decades ago, that teaches that the appearance of the Christ will be actuated by an act of united will. “The Spirit of Peace is hovering close to humanity, seeking opportunity to make His Presence felt. The Spirit of Peace is not an abstract concept but a potent Individual, wielding forces hitherto unfamiliar to our planet. Great Forces are awaiting the hour when They can function as the Liberators and the Deliverers of mankind. In their thinking the door to their entrance must be opened by humanity itself and it will be opened by *a united act of the will*, expressed through some formula of words as expressed in sound. It will be brought about by an activity performed simultaneously by all men and women of goodwill and by all the world aspirants and disciples. The door will not open unless the act of invocation is backed by the focused will”.¹⁰ According to W, the goal of the Masonic elite is the maintenance of the power they’ve got and its expansion until it becomes all encompassing. For Bailey and those inclined toward the occult, it is the rise of a New Age Christ. Both Bailey and W’s Masonic / Illuminati are driven by a desire to use the coming geophysical event as a springboard to enhanced power and control. Theirs is an agenda of complete transformation of the world’s population to serve as servants of a New World Order.

Behind It All

Now when the New World Order types start naming names – it can get a little confusing. W names the Masons. Bailey confirms that and gives us the apostate church as well as a Gnostic / Occult hierarchy. Just how all of this fits together is still somewhat of a controversy, but there are some things we can say with some confidence about the PTB behind the coming New World Order. There is a strange and mysterious connection between political Zionism, Freemasonry, the founding of Israel and the Jewish Kabala. My book, *The History of the Future*, [available at atpministry.com], details the occult, religious connection between Kabala and Masonry. In *Morals and Dogma*, Pike himself confirms this relationship.

He tells us that the Kabala, “like Freemasonry, incessantly tends towards spiritual perfection, and the fusing of the creeds (religions) and nationalities of mankind.”¹¹ In 1889 the Jewish Chronicle declared the “invisible but potent natural alliance” between Judaism and Freemasonry. A mid-19th century French author clarified that this relationship was primarily between the inner circles of Freemasonry and the “leaders of the Cabalist section” of Judaism.¹² It was Rothschild money behind the Zionist colonization of Israel late in the 19th century that successfully took control of the Zionist movement.

According to researcher Barry Chamish, that relationship was formed in Frankfort, Germany – “the birthplace of both the Illuminati and the Rothschild empire.” Illuminati founder Adam Weishaupt “provided the conspiratorial resources... while the Rothschilds contributed the money.” After the Illuminati organization was exposed and banned, Weishaupt managed to infiltrate the inner circles of the Masons, gaining control of the lodges in England, Scotland and Germany.¹³ That control only spread.

Crazier still is the way it played out from there. The money of the Rothschilds bankrolled other major-player families such as the Rockefellers. A cabal of sorts was formed amongst the globe’s most powerful banking families; Rothschilds, Rockefellers, Warburgs – among others. This was a loose but powerful worldwide organization that pulled the strings that ran the planet’s governments. They held the central banks – like the Federal Reserve and the Bank of England – that lent the money to the Great Powers for wars and social experiments. It was these same folks, that even controlled the revolutions that seemingly were trying to unseat these very capitalists. It was Wall Street that was behind Hitler & Mussolini, but also Trotsky Lenin – as well as their opponents in Russia. It was Jewish organizations in the US that nodded support to Hitler and took stands against American efforts to interfere in Hitler’s murderous Jewish solution. It was Rockefellers and Harrimans and Bushs that funneled financing to the Nazi war effort – certainly right up to – and possibly after America’s entrance into World War II. In Israel, and elsewhere, the control continues to this day. It is an important aside to note that it was the Rothschilds that built the Israeli Supreme Court building. We’ve covered before how it is designed replete with Masonic, New Age and Pagan symbolism, including shrines to Hindu and Egyptian gods. The Illuminati continue to manipulate their minions within the Israeli and American and other Western governments to achieve their ends. Many researchers, including Jewish authors like Chamish, believe that another Holocaust is coming; - this time with the cooperation of Jews that are not really Jews - the so called Sabbateans – a Turkish sect they believed is historically linked to the Illuminati.^{14 15 16 17}

MEDDLING WHERE WE SHOULDN’T OUGHTA

The current administration it seems just can’t help itself. It loves to pull the strings and run things...even in other countries – such as our ally Israel. Details of the extent of the meddling on the part of the White House are emerging – and they are not pretty. Israel’s government has met to consider its actions in the light of what essentially was an ultimatum communicated via the lips of Secretary Clinton: Israel must stop building in the Jewish areas of East Jerusalem and must give all sorts of ‘good faith’ concessions to the Palestinians – or face a downgrade of unheard of proportions in diplomatic, strategic and security relations. (And oh yeah, don’t think that you can *see to your own security* by taking care of those Iranian nuke sights without our permission either!) In other words, Obama & Clinton & the Big Boys won’t even be talking to you anymore. Behind all of this lies the insinuation that it’s the Israeli settlements that is the “root cause” of their nuclear ambitions and all that Islamo-messianic talk about eliminating the state of Israel. In hearings before Congress, General Petraeus even made noises about putting the Palestinian territories under the protection of the Pentagon. DEBKA describes that as effectively “providing the Palestinians with an American military umbrella against Israel.”¹⁸ [*Yeah, that’ll be a good idea; protecting terrorists to more effectively fight terrorists! Ummmmh.*] But the meddling doesn’t stop there. According to some reports, Washington is putting pressure on the Netanyahu government to alter its coalition by pushing out the more hard line parties in favor of the peaceniks of Kadima Party. The administration feels that the inclusion of its leader Livni would make the Israelis more likely to go along with US plans for the peace process.¹⁹ That peace process is moving forward; - with a push from America, in Moscow, and with the approval of the Europeans. Even the infamous Quartet – the UN, EU, US & Russia – has weighed in, calling for the establishment of a Palestinian state within two years.²⁰

And on the other hand, preparations are going forward too – for the war that nobody – (except perhaps the Iranians) – really want. Even Israel admits that the time is getting closer for when it may have to exercise one of two ‘bad options’. It will become necessary to turn a blind eye to the Iranian nukes or take out the facilities – and perhaps reap the whirlwind.²¹ Iran is assembling missiles and naval assets for strikes against its American ally Arab neighbors in the Gulf.²² America for its part is stocking up its base in Diego Garcia with ‘Bunker Buster’ bombs of various sorts – all in place for an all-out assault on Tehran’s nuclear program.²³ Of course, those ‘Bunker Busters’ were originally intended to be shipped to Israel and were likely diverted as part of a ‘punishment’ being administered to the Netanyahu government by the White House, - as well as a means of keeping the Israeli military in check.²⁴ Elsewhere, the anti-Israeli forces continue to make gains. Two thousand former Fatah fighters recently defected to the Iranian proxy, Hezbollah.²⁵ But one wonders if that was even necessary. The fact is, since 2007 the US has been training and equipping Fatah’s PA Militia at a facility in Jordan. General Keith Dayton, the American in charge, calls these American trained forces as “founders of a Palestinian state.” To this day, the Palestinian Authority remains committed to the goal of ‘eliminating Israel.’²⁶

JUST ANOTHER STEP...

(A Commentary by Rob Palaszewski)

Healthcare passed...and it was – for me - somewhat anti-climatic. Seems we’ve gone down this road a piece already. This is the CHANGE that was promised. Yeah, some things needed to be fixed, but the solution offered was a total remaking of just who we are as a country. Or perhaps I should say, ‘who we were.’ America has been marching this path for sometime now – under both parties; - though admittedly faster under one than the other. With an insatiable appetite, BIG GOVERNMENT has been gobbling up American society – altering its values in the process.

It’s not quite socialism however. In its subtlety it is more sinister than that. And though health care will not be completely socialized, - at least at present, - it will be fully directed and controlled by its government masters. But the pattern has already been set, especially since the onset of the latest financial crisis. We’ve seen Washington assert control over the banking industry – while letting the banks continue to exist. We’ve watched a government-union partnership grab the ownership of 2 of the Big Three automakers, yet those entities continue on. Increasingly, the current administration is inserting itself into the affairs of American business, even to the point of the regulation of some salaries and bonuses. The landscape is changing. For now it seems, it will be much the same in health care. What is being built is a system where private ownership of Big Business is still allowed – but only under the control and detailed regulation of Big Government. [What is more interesting perhaps, is that Big Government is itself, quietly controlled by something even greater – the Power Elite – Really Big Money.] This is classic Fascism. What is being built is something that has long been called the Third Way; - a synthesis of capitalism and socialism. This is the New America that we are building.

Part of the *intended* fallout of this new legislation is the fact that it will overtime increase the dependency on the government of the once proud and independent American middle class. And that essentially is their goal in the remaking of America. The beholden are always more pliable to the whims of the dictatorship of false democracy. Yet we should have seen their intent. They spoke about it openly at times. It was visible in their associations. The President and the Speaker and others talked about the redistribution of income. That’s pure socialism. They talked about the single-payer plan, - the code word for socialized medicine. Mr Obama himself came from a background in which he drank of the ideas of communists and bomb-throwing 60’s radicals and a pastor drunk on the excesses of liberation theology – which is a thinly veiled form of communist revolution covered by a veneer of pseudo-Christianity. The administration is packed with radical types, committed to the remaking of America. The health care bill will go far toward building the architecture for that change.

Planning for that architecture has a long pedigree. It was part of Teddy Roosevelt’s Bull Moose platform in 1912, and a plank of cousin Franklin’s successful campaign of 1932. But even that popular president couldn’t get it done. Lyndon Johnson and Clinton took their turns at bat, yet neither was able to connect. Ultimately however it had its origin with Karl

Marx and has long been a part of the communist program.²⁷ There are a number of advantages for anyone pursuing a leftist agenda. For one it creates a new relationship that makes the individual citizen dependent on the bureaucracy of government. That bureaucracy survives the changes of government and gives it almost unlimited power. Mark Steyn calls this a “bureaucracy for life”, and it creates a government of ‘statists’ where the rights of the individual die to the needs of an ever-growing government monster. You see, it is the architecture itself that makes this untenable for real republican government and individual rights. Rights are no longer for individuals – but for groups.²⁸

Now don’t get me wrong. Not everyone that is driving this vehicle is aware of where this is all headed. There were certainly problems to be addressed and good intentions. Yet it is interesting to note that it all advances the cause of the Power Elites, in their quest for increased control and a New World Order. This has been the mystery of the last century or so; - a sort of *open secret*. Behind every revolutionary movement – whether from the right or the left – whether it was Lenin or Hitler or Mussolini – the Power Elite / Big Money / Wall Street - have been there – financing and ultimately controlling the popular cause, - as a vehicle to their own ends. It is not strange that it is that way again. The New Order is being built. We can expect incredible changes to follow in the months and years to come. And here is an opinion: This is all necessary to create the conditions required to usher in the New Order that will serve as a launching pad for the Ten Kings of Revelation and the World Government under Antichrist. So hold tight to the Lord. This is only the beginning!
