Issue #286

ISRAELI-AMERICAN CRISIS UPDATE

Even as PM Netanyahu had made his way and was waiting to meet the President, it happened again. Local Jerusalem officials announced the approval a small apartment complex in East Jerusalem. That couldn't have alleviated the high-tensions already present in the meeting of the two leaders. The Obama administration had already used the opportunity of an earlier building announcement – again by local municipal authorities – to both privately (via Ms Clinton) – and publicly - berate the Israelis, demanding that they become serious about peace. (It is suspected that the US punished Israel by pressuring the Brits into expelling an Israeli diplomat over the assassination in Dubai of a ranking Hamas terror operative.) As Charles Krauthammer pointed out, it is only the Israelis that have ever been serious about the peace process. Even under the supposed hardliner Netanyahu, the Israelis have been removing anti-terror checkpoints, funneling aid to the Palestinian economy and even put a moratorium on building in Palestinian neighborhoods. It is the Palestinians that have a history of offering NO concessions, launching the intifadah which took over 1,000 Jewish lives. Now they too demand more Israeli concessions before they will talk, including the release of over 2,000 terrorist-prisoners. They seem to be betting that Washington will unilaterally declare a Palestinian state if the Israelis refuse to cave in. Yes, that has been talked about. Scripture does seem to indicate that something like that is on the horizon. **“They shall call the nobles thereof to the kingdom, but none shall be there, and all her princes shall be nothing.”** (Isaiah 34:12) (KJV)^{1 2 3 4}

However American pressure does not stop there. DEBKA reports that President Obama was actually crafting an ultimatum that would have had Netanyahu renouncing construction, pledging concessions to the PA and accepting the White House's version of the outcome of the final negotiations before they even began.⁵ According to the Jewish Institute for National Security Affairs (JINSA), President Obama has put the kibosh on the delivery of modern weapons systems to Israel. They've done so while continuing to update the arsenals of Egypt and many Arab League states; thereby eroding Israel's qualitative edge, which violates a 40-year-old pledge to keep them ahead of the game. JINSA concludes that the Israelis now have to maintain their superiority by “other means.” [These are likely to include 'scalar weapons'. Such systems utilize an electronic pulse and can neutralize even the most sophisticated modern weapons systems. David Bay of Cutting Edge Ministries speculates that the American policy of supplying only the Arab states could lead to an overconfidence that would cause them to attack Israel.] And this scalar technology is not so far fetched. Just recently we reported again how President Clinton's Secretary of Defense openly discussed the use of weapons that could create earthquakes and control the weather – with EMP technology. The World Tribune confirmed that according to some scientific / military sources, that for the most part, nuclear weapons have been rendered obsolete by this new generation of Quantum Potential (QP) and Electromagnetic Pulse (EMP) weapons. China, Russia and Israel are all thought to be more advanced than the US in these areas.⁶ Their ultimate defeat would, according to Bay, fulfill the judgment prophecies of Zechariah 12 and Joel 3].^{7 8} **“For behold, in those days and at that time, when I bring back the captives of Judah and Jerusalem, I will also gather all nations, And bring them down to the Valley of Jehoshaphat; And I will enter into judgment with them there On account of My people, My heritage Israel, Whom they have scattered among the nations; They have also divided up My land.”** (Joel 3:1-2)

CONSPIRACIES & REALITIES – PART V

Last time out we looked behind the short term plan to birth a messianic New World Order out of worldwide war and chaos. This time we'll talk about some of the more long-standing plans that the PTB have had to bring this about. If you've been following this series, you'll see how they dovetail rather nicely with what our friend W has revealed.

REVEALING THE ANTICHRIST

A few years back, David Bay of Cutting Edge Ministries did some groundbreaking work, reporting on a seminar of the New England Theosophical Society that outlined for the attendees the plans to call forth the New Age Messiah. Bill Lambert, who was the Director and featured speaker at the conference, believes that prophecy is self-fulfilling. "What a person thinks, he creates".⁹ A belief in the concept of Armageddon will lead to massive nuclear war. So too, when enough people believe it, this world will be ready for the New Age Messiah. It is then that he will arrive. This is the same message of The Secret, that New Age drivel that Oprah is hawking on internet radio. Applying the message, Peter Lemesurier, author of the Armageddon Script agrees. "If the Messiah is to appear, then he must be produced", says he.¹⁰ Lambert's remarks, when taken in conjunction with other New Age writings, lay out a clear and rather precise blueprint for realizing the coming New World Order.

Whether with full knowledge or not, it is interesting that the specific steps that Lambert spoke of, all dealt on some level, with events that are clearly predicted in Scripture. We'll take as our working template the scenario outlined at the Theosophy seminar. With due props to David Bay of Cutting Edge Ministries, here is the plan that according to Mr Lambert and other Illuminati types, which they had hoped to unfold by about 2010.

1. **The New Jerusalem Covenant Project** – The problem of Palestine will be solved when Jerusalem becomes a truly international city, - for Jew, Christian & Muslim alike. [The world is almost daily pressuring Israel to cave in to demands to make East Jerusalem capital of a new Palestinian state. This newsletter has covered in the past how the Vatican would like to see it declared an international city, - to operate under the control of the Catholic Church.]
2. **One World Religion Declared** – A concurrent religious celebration for Christians, Muslim & Buddhists will occur. At that time the New World Order Religion will be announced.
3. **A Global Political / Business Conference** – The conference will put arms as well as human and environmental resources and the control of space under control of a global governing body. Now here's David Bay quoting conference speaker Bill Lambert. Once these religious and political / business meetings have taken place "a grand merger of all forces will occur world-wide that will move the world in any desired direction". [They're planning the political / religious super kingdom of Antichrist.] That desired direction starts with a combination political / religious settlement in the Middle East. Lambert again: "Once this religious problem is solved, then the power and influence of the Orthodox Jews in Israel would permanently decline". There is a concerted effort to take down the Orthodox Jews.
4. **The New Temple Is Built** – It is a combined Temple / Church / Mosque. [I've seen the design for this building on the internet in the past but have not recently been able to locate it.]
5. **War Drives The Plan** – Quoting Mr Lambert: "The impetus toward this type of settlement is made possible only because of a general fear of war. This fear of war must be maintained until the desired political and religious changes have been instituted".¹¹

It's necessary here to take a little side trip to the work of Peter Lemesurier, author of the Armageddon Script. In his book he lays out in detail just how the Illuminati New World Order types plan to maintain the pressure that will create the conditions necessary for the rise of the Antichrist. Here are the details of the plan.

- **Arab Israeli War** - Israel wins an annihilating victory, fulfilling many Biblical prophecies.
- **Catastrophic Terror** – Major terror attacks against the US & Europe using WMDs.
- **Nuclear Crisis In Korea** - Lemesurier writes, "A hair raising nuclear confrontation in Korea may, towards the end of the period, threaten man's very survival."
- **Taiwan Invasion** - China uses the fact that the U.S. is occupied on two fronts to invade Taiwan, challenging the already stretched American Naval forces in the region.
- **Alien Presence** – Extraterrestrials manifest a presence that leads to the collapse of the religious beliefs of many around the globe. [Artificial or demonic in nature.] Here are the words of Bill Lambert as quoted by David Bay of Cutting Edge Ministries. "UFO's and Aliens are part of the New World Order. They are benevolent beings which will aid mankind in attaining the goal of becoming one humanity. They will appear at the proper time to enable mankind to make that Quantum

Leap of Collective Consciousness -- when the Anti-Christ appears.” [Henry Kissinger has suggested much the same thing.]

- **Stock Market to Crash** – You can see why.
- **Earthquakes around the world** - (Unconfirmed reports exist that Russian and U.S. military capabilities include the ability to create earthquakes.)
- **The New Age Christ Appears** - He is a man of peace. He claims to be the Jewish Messiah, Jesus, Mohammed and Buddha rolled into one. He shows displays of supernatural power.¹²

So that’s the plan to reveal the New Messiah – and how that works has some very interesting prophetic implications.

Unveiling The New Messiah

“And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.” (Revelation 13:12)

Everything that has passed so far is but the preamble to what follows. The rebellion of Nimrod, the infiltration of the Church, Fallen Angels cohabiting with the **“daughters of men”** in Genesis 6, the secret plots of the Illuminati / One Worlders, and the monosyllabic chanting of the New Agers: It’s all about setting up the short-lived triumph of the Beast, - the Antichrist. We have just examined the plot to set the stage for the rise of the New Christ. Now we’ll look at just how he is revealed. We pick up again, the revelations of Bill Lambert at the Theosophy seminar as reported by the Cutting Edge’s David Bay.

1. **The Pope Takes Command** – According to Mr Lambert: “At the proper moment in history, the Pope will visit the combined Jewish/Christian/Moslem sector of Jerusalem to announce that all religions should be combined into one. This action will finally break the Middle East logjam. This will mark the advent of the One World Religious System under the False Prophet of Revelations” Lambert is saying that some future pope will operate as the False Prophet of Revelation.¹³
 - **Catholic Writers Agree** – We have seen how Roman heavyweights like Francis of Assisi, Bishop Sheen and Cardinal O’Conner, among many, - have taken the position that the False Prophet of the Last Days would indeed be an apostate prince of the Church.¹⁴
 - **The Prophecies of St Malachy** – These extra-biblical writings lay out a scenario in where there will be only one or at the most two more popes before Christ’s return.¹⁵
2. **The Messiah Is Revealed** - “Minutes before the Antichrist arises, some supernatural sound will be heard and spiritually felt by everybody on the planet, simultaneously...with everyone’s attention aroused, images of Antichrist will appear simultaneously over the entire earth, speaking to mankind, each in his own language. The signs and wonders will have begun.” (Bill Lambert) According to Lambert, “he will appear as different beings to different people”. Alice Bailey says, “A loud sound will be heard world-wide which will herald the coming of Maitreya the Christ. Prompted by this sound, people will be aware of his coming on three distinct levels: Spiritual, physical, and emotional”.¹⁶ Constance Cumbey tells us “His Three-Dimensional image will appear over all nations of the earth simultaneously”.¹⁷ Again, this agrees with much of what certain segments of the Catholic world is expecting.¹⁸
 - **Pope John Paul Expected a Marian Vision** – Recall that we saw that Vatican Jesuit Malachy Martin revealed this in his book *The Keys of This Blood*. John Paul believed that he was promised a powerfully-psychic worldwide vision of Mary that would confirm the primacy of both Rome and the Pope. It would produce an “engulfing chaos” that will lead to mass conversion. It will be preceded by a loud sound, light or odor.¹⁹
 - **We Have The Technology** – The Pentagon, for instance has signed on to the notion of the “use of digital technology to create false realities”. It is no great feat to be able to insert people, - even dead people like Steve McQueen, - into commercials; - or in the case of Woody Allen’s Zelig, - into old newsreels. It is so sophisticated that the subjects seem to be interacting with those on the original film. A blending of the real and the cinematic, the Chinese Olympic fireworks display in the summer of 2008 fooled audiences around the world.

The danger in all of this of course, is that instead of being used for just entertainment and advertising purposes, it could be used to actually ‘create the news’. In fact prior to the Iraqi war, the Pentagon considered faking videos that showed Saddam involved in sexual perversions and “crying like a baby”. One former military affairs analyst, William Arkin, revealed that a plan was even worked out to “project a huge holographic image of Allah into the

skies over Baghdad, urging Iraqis to overthrow Hussein". It was abandoned for logistical reasons, - and more importantly, because no one was quite sure what Allah would look like anyway.²⁰

The Technology of Spiritual Deception

If we are to believe their own pronouncements, the leaders of the New Age Movement have a surprise in store for Mankind; a technological ambush, aimed at changing the spiritual status quo. Peter Lemesurier, writing in *The Armageddon Script*, tells us that the New Age Messiah, will be "humanly produced" with the aid of "technological phenomenon" and "special effects". Jerry E. Smith, in *HAARP: The Ultimate Weapon Of The Conspiracy*, talks of a plan to "...take over the world by projecting holographic images into the sky while beaming thoughts directly into our heads, telling us to accept the new 'god' of their design".²¹ (I know that sounds nuts, - it does to me too!) Describing that very technology from a more independent, scientific perspective, Ivan Amato, in MIT's Magazine, *Technology Review*, believes that "...the stage is set for deception to move the world in new ways".²²

One example is something called Project Blue Beam, first revealed in 1994, by Serge Monast, an investigative reporter for the International Free Press in Canada. He later died under mysterious circumstances. Monast reported that Operation Blue Beam was a technological conspiracy by NASA scientists aimed at abolishing "all Christian traditional religions in order to replace them by a one-world religion", which in turn would serve as the necessary prerequisite for the establishment of the One World Government. This plan of techno-deception has four aspects.

1. **Discrediting All The Worlds Religions** – Through earthquakes that lead to "new" archaeological discoveries.
2. **Global Apparition of "God / Messiah Figure"** – Achieved through a giant Space Show, using laser projections of 3-dimensional holographic images that will speak as "God" and speak to regions in their predominant native languages: Christ to Christians, Mohammed to Muslims etc.
3. **"Spiritual" Confirmation** - Artificial Electronic Telepathy – ELF, VLF & LF waves utilized to send messages to individuals that will seem to be God communicating with individuals from within their individual souls. (I'm not vouching for the legitimacy or effectiveness of their technology here, - just reporting the plan.) Many are the reports of successful use of these "mind control" technologies.
4. **Fear of Alien Invasion & Satanic Infiltration** – Creating the illusion of an impending alien landing and a ubiquitous demonic presence.²³

The disturbing fact is that New Age writers and high-tech publications confirm the plausibility of much of this plan. Consider point one. The use of artificial earthquakes, were blithely referred to in Lemesurier's New Age tome, *The Armageddon Script*. It has long been a standing rumor in technological circles that several countries have the capability of using sound waves, "Radiant Energy" and scalar technology to control weather patterns and shift tectonic plates under the oceans. Now China has set up a National Weather Control Center.

Of course it's hard to swallow the whole 'alien presence' bit. But we've reviewed the connection there at length. New Age sources are quite insistent that other-worldly beings are all part of the plan. Bill Lambert of the Theosophical Society stated clearly that "UFO's and aliens are part of the New World Order. They are benevolent beings which will aid mankind in attaining the goal of becoming one humanity. They will appear at the proper time to enable mankind to make that Quantum Leap of Collective Consciousness -- when the Anti-Christ appears."²⁴

Another hard part for me was point three: The use of "Artificial Electronic Telepathy" or mind control. I thought it challenged the boundaries of credulity until I stumbled on a website detailing recent American Patents for subliminal suggestion and mind control. Here are just a few examples of the more recent patents issued. Nervous System Manipulation by Electro-Magnetic Fields – 2003, Magnetic Device for Producing a Desired Brain State – 2002, Electric Field Manipulation of Nervous Systems – 2001, Communication System & Method...enabling communication through monitored brain activity and wave analysis – 2000. There were others covering the manipulation of nervous systems through; Acoustic Manipulation, fluctuating electronic fields, Pulsative Manipulation and a Brain Wave Inducing System patented in 1999. The era of mind-control is no longer some far-future science fiction fantasy.²⁵ All of this could set the stage for a "False Rapture". Next we'll investigate that possibility.

SHORT TAKES

FEMA BADGES & CHIPS – It was reported to this newsletter by reliable sources that the new FEMA employee badges contain a microchip that workers are being told contains a microchip which contains all personal information as well as a tracking capability. The issuing FEMA official informed his charges that the badge's location could be traced anywhere.²⁶

LAW ENFORCEMENT CHIEFS RESIGNING – An article published in February detailed how at least 70 police chiefs and sheriffs have resigned their positions in the last months. Many of these left after serving only weeks or months on the job. So what's up with that?²⁷ Decorated Phoenix lawman Jack McLamb warns that it is all due to the fact that the PTB are preparing for the imposition of martial law and many officers don't want to have to enforce that against the American public.²⁸ This line of thinking was also confirmed by a local law enforcement official who said that it was "common knowledge" among the rank and file that martial law was coming and that people were leaving because they "don't want any part of it." This officer said that as for resignations, you can "expect more."

MARTIAL LAW TRAINING – The Houston Police Department is set to begin training a special unit to "staff checkpoints at key infrastructure points throughout the city." This would be a first for a domestic police department in the US. According to Infowars, "The Checkpoint Team will be armed with Assault Rifle Carbines and shoot to kill orders."²⁹

TRUER WORDS – The saying goes, 'You can learn a lot about a person by the friends they keep.' And so it is with the supporters of the new Health Care law. Planned Parenthood for instance, celebrated the legislation by declaring "Victory" for the pro-abortion provisions of the bill on its Action Center website. They even dismissed the President's executive order as "a symbolic gesture" to abortion opponents.^{30 31} Cuba's Communist Dictator also signaled his support for Obamacare.³² But it was Rev Al Sharpton that finally cut to the heart of the matter while commenting on FOX News. "I think this began the transforming of the country." He went on to explain what many have seen for some time now. This is a transformation toward socialism. Sharpton explained that "the American public overwhelmingly voted for socialism when they elected President Obama."³³
